

Welcome to Automak Rewards.

We at Automak Automotive have created the AR Program to thank our clients for their business and to show our appreciation every time they use any of our services.

To make the program even better, we established three different levels that our customers can reach: starting with *Automak Rewards Select*, *Automak Rewards Plus* and *Automak Rewards Elite*. Each level opens the door to more exciting rewards.

Join our program today and start accumulating points. Redeem or save these points to move levels and get back more from Automak.
